OF

*Hardy Native Lilies, Orchids, Ferns,
Aquatic and Bog Plants, Wild Flowers
Deciduous Trees, Shrubs
and Evergreens*

This list contains stock eminently suitable for camouflage material. I would particularly call to your attention the Vines listed on page 8, the Junipers on page 9, and the various deciduous Trees and Shrubs on pages 10 to 16, inclusive.

If interested in larger sizes, I shall be pleased to quote on those which I have available.

TERMS AND CONDITIONS OF SALE

Our SPRING SEASON usually starts about April 1 and continues until about June 1. The FALL SEASON begins about September 1 and we continue digging until about November 20.

Cash or reference should accompany orders from unknown customers. Cash with order earns 2 per cent discount. All spring accounts are due June 1, fall accounts December 1.

Boxing and packing will be charged for at cost.

Prices are subject to change without notice.

We make no charge for packing car lot orders in bulk.

We sell 50 of the same size and variety at the 100 rate, 500 at the 1000 rate. To save rubber for national defense, we have decided to sell 50 at 100 rate, instead of 25 as formerly. It takes as much tire mileage to collect 25 plants as it does 50 plants.

Claims for any cause must be made within five days of receipt of goods. In no case shall we be held for damage exceeding the original purchase cost of the goods.

Shipments travel at the cost and risk of the purchaser.

A certificate of inspection is attached to each shipment.

The nomenclature used in this list is that of "Standardized Plant Names."

*Varieties marked * are suitable for rock gardens.*
